

STONEWALL LESSON PACK –

LGBT History Month 2021

This LGBT History Month, we're focussing on the lives and work of some courageous LGBT women – for special schools and colleges, we've chosen Catherine Duleep Singh. LGBT History Month was founded by Schools Out, who have been campaigning for LGBT inclusive education for 47 years. Due to Covid-19, we've created home learning packs as well as lesson packs to ensure that your students can benefit from the lesson content wherever they're learning. You'll find the home learning pack that mirrors this lesson pack on our [website](#). Each lesson pack has a PowerPoint and resources that you can use to support your whole class teaching. Adapt the content to best suit the needs of your class and to fit the amount of time you have available. We have also developed packs on this theme for students in mainstream settings – these can be found on our [website](#) and you may wish to mix and match resources to support your differentiation.

Who are Stonewall?

This resource is produced by Stonewall, a UK-based charity that stands for the freedom, equity and potential of all lesbian, gay, bi, trans, queer, questioning and ace (LGBTQ+) people. At Stonewall, we imagine a world where LGBTQ+ people everywhere can live our lives to the full. Founded in London in 1989, we now work in each nation of the UK and have established partnerships across the globe. Over the last three decades, we have created transformative change in the lives of LGBTQ+ people in the UK, helping win equal rights around marriage, having children and inclusive education.

Our campaigns drive positive change for our communities, and our sustained change and empowerment programmes ensure that LGBTQ+ people can thrive throughout our lives. We make sure that the world hears and learns from our communities, and our work is grounded in evidence and expertise.

Stonewall is proud to provide information, support and guidance on LGBTQ+ inclusion; working towards a world where we're all free to be. This does not constitute legal advice, and is not intended to be a substitute for legal counsel on any subject matter. To find out more about our work, visit us at www.stonewall.org.uk.
