

Maths - SEND

Stonewall's home learning packs can be used by parents or carers looking to support their child's learning or by education staff looking to send work home for their students. There is a primary, secondary and SEND version of each pack, with a list of suggested activities and supporting materials for you to pick and choose from. This maths pack features a range of worksheets and questions for your child to work on.

Stonewall is a lesbian, gay, bi and trans equality charity working with employers, schools, colleges and services for LGBT acceptance without exception. Find out more about our work here: www.stonewall.org.uk.

Who are Stonewall?

This resource is produced by Stonewall, a UK-based charity that stands for the freedom, equity and potential of all lesbian, gay, bi, trans, queer, questioning and ace (LGBTQ+) people. At Stonewall, we imagine a world where LGBTQ+ people everywhere can live our lives to the full. Founded in London in 1989, we now work in each nation of the UK and have established partnerships across the globe. Over the last three decades, we have created transformative change in the lives of LGBTQ+ people in the UK, helping win equal rights around marriage, having children and inclusive education.

Our campaigns drive positive change for our communities, and our sustained change and empowerment programmes ensure that LGBTQ+ people can thrive throughout our lives. We make sure that the world hears and learns from our communities, and our work is grounded in evidence and expertise.

Stonewall is proud to provide information, support and guidance on LGBTQ+ inclusion; working towards a world where we're all free to be. This does not constitute legal

advice, and is not intended to be a substitute for legal counsel on any subject matter. To find out more about our work, visit us at www.stonewall.org.uk.

Join our Education & Youth programmes

Our experienced team are proud to have supported many primary and secondary schools, colleges, Local Authorities and Multi Academy Trusts to challenge bullying and celebrate diversity.

We offer:

- Online training for education staff
- An awards scheme
- Membership programmes
- Consultancy
- A wide range of resources

To find out how your school, college or setting can benefit from working with Stonewall, visit www.stonewall.org.uk/schools-colleges.

Home Learning Pack: Maths

Choose the right activity for your child:

a simpler version of the activity

the version of the activity that most children will use

a trickier version of the activity

Remember that counters, coins or even pieces of pasta can help your child with their maths.
